1. Detailed plans for the reconstruction of the Blechhammer Works have been completed and requests for sales bids on 12 new steam-boilers have already been submitted to firms in [redacted] Czechoslovakia. The firm which offers the most liberal credit provisions will get the contract. It is hoped that all 12 of these boilers will be delivered and installed before the end of 1955.
2. The power plant located at Mechtal (Miechowice), about 4 miles west of Beuthen (Bytom), presently has a capacity of 200 KVA.
